Program Overview

Background

The purpose of Cuyahoga Arts & Culture's Project Support (PS) grant program is to promote public access and encourage the breadth of arts and cultural programming in our community by supporting Cuyahoga County-based projects. Grant applications are reviewed annually through a public panel review process. In 2018, the grant period will be January 1 – December 31, 2018. CAC will offer two Project Support grant options in 2018. This document provides the guidelines and application instructions for the Project Support I program.

Project Support I (PS I)

- Grant requests of up to \$30,000 for 501c3 organizations based in Cuyahoga County
- Application consists of 10 narrative questions, budget and support materials
- Completion of the Cultural Data Profile for FY 2016 required (Refer to page 7 for more information)
- 1:1 cash match required

CAC will also offer the following grant opportunities for 2018:

- 2018 Project Support II (PS II): grants of up to \$5,000 for 501c3 organizations. First-time CAC applicants are only eligible to apply to the PS II program.
- General Operating Support (GOS): multi-year core support for 501c3 organizations with a mission that is primarily arts & cultural.

To learn more about the differences between General Operating Support, Project Support I and Project Support II, refer to the *2018 Grant Program Guide*. Organizations may only submit one application per cycle.

Who May Not Apply

Additionally, organizations receiving or applying for General Operating Support or applying for a Project Support II grant from CAC are not eligible to apply for Project Support I funding in the same grant cycle.

Please note: Colleges and universities are eligible only for activities that clearly serve the needs of the community and are designed to involve a broad audience. Activities that are credit-producing or are oriented primarily to collegiate students and the academic community are not eligible.

What is a Project?

A project is a specific, connected set of activities, with a beginning and an end, explicit goals/objectives and a predetermined cost that does not equal the organization's total annual budget. Projects may be one-time events, such as a festival or exhibit; or a defined series of events, such as a roster of classes or a series of productions. Projects with multiple components must show that there is a cohesive theme that ties the project together.

Pre-Screening of Applications

CAC staff will pre-screen applications before moving them forward to panelists for review. If the submitted project does not meet CAC's definition of a project (above) or of arts or cultural heritage (page 16), or if the application appears to be a request for general operating support, CAC staff will deem the project ineligible for funding. The application will not be reviewed by the panel and your organization will be ineligible for funding in 2018.

Application Review Process

All eligible applications are evaluated by a panel of arts or cultural professionals from outside the region in a public panel review process. Panelists are chosen to represent a cross-section of professionals qualified to provide expert knowledge of specific arts or cultural disciplines, as well as for their management experience, professional knowledge of the sector and prior panel experience. CAC staff and trustees take every effort to ensure that the panel is diverse in all respects. All panelists receive an honorarium for their service.

CAC staff members provide eligible grant applications and support materials to panelists approximately four weeks prior to the panel review meeting in order to allow panelists sufficient time for their evaluation. During the panel review meeting, **the panel will evaluate all eligible**

2018 Draft Guidelines – not Board approved

applications based on CAC Funding Criteria: Public Benefit; Artistic and Cultural Vibrancy; and Organizational Capacity. For more information see the Funding Criteria on page 10.

CAC staff chairs the panel review, but does not score or provide opinions on applications. Staff will manage all administrative and logistical actions necessary to conduct a successful panel review: provide panelists all documentation necessary to evaluate applications effectively; inform the panel in matters of CAC policy and procedures; and provide all available objective information regarding an applicant to the panel.

CULTURAL PARTNER REQUIREMENTS

Grant Agreement and Compliance

If your application is approved for funding by CAC's Board at its November 13, 2017, meeting, CAC will prepare a letter with the grant amount and grant agreement for each cultural partner, CAC's term for grant recipients. CAC staff will be available to meet with new and returning cultural partners to review the grant agreement requirements. In order to be considered an active cultural partner, recipients must sign a grant agreement. All funded activities and grant expenditures must occur during the grant period, January 1 – December 31, 2018.

Cultural Partner Expectations

Funding from Cuyahoga Arts & Culture comes from a tax approved by residents of Cuyahoga County. We ask that organizations receiving CAC funding partner with us throughout the grant cycle by communicating with their grant manager, posting events and job opportunities on our website, connecting with us on social media, and saying thank you to the residents of Cuyahoga County for their support. The [Cultural Partner Expectations](#) outline how to partner with us effectively. Cultural Partners that do not comply with these expectations may be subject to a reduced final grant amount.

Reporting Requirements

All cultural partners that receive a 2018 Project Support grant must submit a final report online within 60 days of the completion of the project. In addition to a final report, CAC staff may conduct site visits during the project period. Reporting guidelines and instructions will be posted online in advance of deadlines. Reports consist of a narrative, financial documentation and support materials. Cultural Partners that submit a late final report, or do not submit a final report at all, may receive a reduced or revoked final grant amount.

Maintaining Good Standing

In order to receive CAC funds, a cultural partner must retain its good standing with CAC. A cultural partner is in good standing if it:

- Fully and completely meets all requirements as stated in the grant agreement for the duration of the grant period;
- Accurately represents its organization and its activities in all documents submitted to CAC. This includes, but is not limited to, the eligibility check, application, final report and all other reports and forms; and
- Continues to meet the eligibility criteria.

2018 Draft Guidelines – not Board approved

A cultural partner not in good standing with CAC will be officially informed of this status in writing.

Application Process

The following is an overview of Cuyahoga Arts & Culture’s Project Support I grant program application process. News, updates and events (including technical assistance workshops and webinars) will be posted on the CAC website and distributed via email. Sign up at www.cacgrants.org and opt-in to receive *CAC Grant Information* to learn more.

We strongly recommend that you begin your eligibility check and online application well before the due date to familiarize yourself with the system and to address any technical concerns.

Key Dates

Pre-Application

➤ **Attend a Workshop**

CAC will offer a variety of technical assistance workshops/trainings in advance of the application deadline. Information regarding such trainings will be posted on the CAC website and all applicants will be notified by email. While workshops are not required, we strongly encourage and invite all eligible applicants to attend.

Submit the Eligibility Check before July 20, 2017, by 4:30 pm ET

➤ **Submit the Eligibility Check**

The eligibility check is the first step in applying for a Project Support grant for all applicants. CAC uses the eligibility check process to determine whether or not an organization meets the criteria to submit an application. **You do not need to have a finalized project plan at this stage.** For more, view the *Eligibility Check Guide*.

Organizations that do not complete the eligibility check will not be permitted to submit a Project Support grant application and will not be eligible for funding. However, completing the eligibility check does not automatically make your organization eligible to apply for funding. Following the submission of the online eligibility check, CAC will notify applicants via email, to the primary contact on record, whether or not they are eligible.

2018 Draft Guidelines – not Board approved

Recipients of 2016 or 2017 Project Support grant funds will submit fewer items during the eligibility check process. The required eligibility documentation is outlined in the following tables.

The following tables indicate what documentation must be uploaded for the eligibility check. For the purposes of this application, **an organization with a primarily arts or cultural mission is one that has a primary mission to provide programs or activities in areas directly concerned with arts or cultural heritage** (as defined by the [Ohio Revised Code Chapter 3381](#)) for the general public. Organizations with missions that are not primarily arts or culture in nature (community development corporations, social service organizations, etc.) are encouraged to apply.

**For CAC's purposes, IRS Form 990 and IRS Form 990-EZ must indicate total expenses on Line 17 for Project Support I.

- **Learn your Maximum Request Amount and Gain Access to the Online Application**
If your organization is deemed eligible, the primary contact on record will receive an email containing the maximum grant amount request for your project and access to the online Project Support I application. The earlier you submit the eligibility check, the sooner you will have access to the online application.

Cuyahoga Arts & Culture determines your maximum grant request amount. This amount is based on the financial documentation submitted during the eligibility check. The maximum grant request amount reflects up to 15% of the organization's expenses for public arts or cultural programming after deducting CAC funds, not to exceed \$30,000.

Your request amount may not exceed the maximum grant request amount determined by CAC or 50% of the proposed project's total expenses. Grant requests may only include expenses directly related to the project that will be incurred during the grant period.

Submit the Application before August 24, 2017, by 4:30 pm ET

All applicants will take the following steps in preparing an application:

- **Determine Your Project**

Eligible Projects

Proposed projects must be arts or cultural activities open to the public. The funded activities must originate and be completed during the grant period, January 1 – December 31, 2018. The project must be open to the public and conducted in Cuyahoga County. Organizations may only apply for one project per funding cycle.

College and university projects must involve and show support from the general community beyond the students, faculty and staff.

What does CAC mean by arts and culture?

The Ohio Revised Code Chapter 3381, CAC's enabling law, defines arts and culture as "including, but not limited to, literature, theater, music, dance, ballet, painting, sculpture, photography, motion pictures, architecture, archaeology, history, natural history, or the natural sciences."

2018 Draft Guidelines – not Board approved

Organizations with missions that are not primarily arts or culture in nature are encouraged to apply (community development corporations, social service organizations, etc.), as long as the proposed project meets CAC's definition of arts and culture.

What is a project?

A project is a specific, connected set of activities, with a beginning and an end, explicit goals/objectives and a predetermined cost that does not equal the organization's total annual budget. Projects may be one-time events, such as a festival or exhibit; or a defined series of events, such as a roster of classes or a series of productions. Projects with multiple components must show that there is a cohesive theme that ties the project together.

CAC staff will pre-screen applications before moving them forward to panelists for review. If the submitted project does not meet CAC's definition of a project or of arts or cultural heritage, or if the application appears to be a request for general operating support, CAC staff will deem the project ineligible for funding. The application will not be reviewed by the panel and the organization will be ineligible for funding in 2018.

How much can I request?

The request amount may not exceed the amount that was determined by CAC during the eligibility check process. The request may not be more than 50% of the proposed project's total expenses. Grant requests may only include expenses directly related to the project, which will be incurred during the grant period.

Match Requirements

Project Support I grants are matching grants through which applicants are expected to leverage CAC funds to secure support from outside sources. This program requires a 1:1 cash match by the applicant. This means that Cuyahoga Arts & Culture will provide no more than one half of the total expenses of the proposed project.

The matching funds may come from any source, excluding in-kind. Potential sources of your matching funds include, but are not limited to, foundation and/or government grants, private donations, ticket sales and member dues.

Funding Restrictions

Project Support I funds cannot be requested for: operating support; fundraising events; religious ceremonies or events advancing or inhibiting a particular religious ideology; or advocacy of specific political causes or candidates.

Restricted uses of CAC funds include but are not limited to: fundraising activities, or costs related to fundraising; cost of receptions, food and beverages; re-granting; tuition, scholarships, awards or cash prizes; capital expenditures (improvements, acquisitions and restorations of facilities and/or equipment); agent's fees for programs contracted through commercial agencies; and travel outside of the United States.

➤ **Gather your Support Materials**

2018 Draft Guidelines – not Board approved

Support materials are images, audio files, video files, links and/or other supporting documents that help bring your organization's mission and programs to life for panelists. They are essential to your application and play a critical role in helping panelists evaluate your organization and gain a better understanding of the proposed project. Please refer to the *Support Materials Guide* for more information.

➤ **Complete your FY 2016 Cultural Data Profile and Generate and Review the Funder Report**

Cuyahoga Arts & Culture requires all eligible Project Support I applicants to complete a FY 2016 Cultural Data Profile through the DataArts website (<http://www.culturaldata.org/>) as part of the application process. DataArts is a national, collaborative online system that collects and standardizes historical financial and organizational data.

The data profile must be in *Completed* status, meaning that your data has cleared the error check. Once in said status, you will need to generate your CAC Funder Report and upload it in the Support Materials section. Please refer to the *Cultural Data Profile Guide* for more information.

➤ **Complete and Submit the Application by August 24, 2017, by 4:30 pm ET**

To be considered complete, an application must include all required narrative responses, a complete budget and support materials. See the Application section on page 12 for further details.

Late or incomplete applications will NOT be accepted. Immediately following the 4:30 pm ET deadline, the *Submit* button on the online system will disappear, making it impossible to submit an application.

Post-Application

➤ **Attend the Public Panel Review Meeting**

- The public panel review meeting will take place at the Idea Center at Playhouse Square during the week of October 9, 2017.
- CAC staff will notify all applicants of the panel review meeting dates, times and locations; live streaming links; and will post all details on the CAC website in advance. Additional information will be made available closer to the panel review date.
- Though applicants do not take part in the panel deliberations, they are encouraged to attend to hear and learn as panelists discuss their application.

➤ **Learn your Organization's Score**

- During the panel review meeting, panelists will score each application on a point scale from 1 to 100 based on the Funding Criteria. Refer to the Funding Criteria and Scoring Framework details (pages 10-11).
- The panelists' scores, with the high and low scores removed, will be averaged for each application to determine the panel score.
- Any applicant receiving an averaged final panel score of 75.00 or higher will be recommended for a Project Support grant at full funding (100% of request amount) or partial funding (at least 75% of request amount). Any applicant receiving a final panel score lower than 75.00 will not be recommended for a Project Support grant. Scores are not rounded.
- CAC staff will notify all applicants of their final panel score and whether or not they will be recommended for funding via email within two weeks of the panel review meeting.

➤ **Attend the CAC Board of Trustees Meeting to Learn your Grant Amount**

- Panel scores and grant amounts will not be confirmed until the CAC Board of Trustees meets on November 13, 2017, at 4 pm. This meeting is open to the public, and applicants are encouraged to attend.
- The grant amount and total number of Project Support I grants will be determined by the following factors: the amount of funding allocated to the Project Support grant program (I & II); the panel score for each application; and the total request amount of all applications eligible for funding.

These are general guidelines and are subject to change based on the total CAC funds available to the Project Support grant program in any given year. It is possible that all of the allocated Project Support grant funds could be awarded to those applicants receiving higher scores and applicants with lower scores (within the 75-100 point range) will not receive funding.

Appeals Process

CAC will only consider and review appeals that are evidence-based and due to materially significant CAC *processing errors* that could have compromised an applicant's grant proposal. This does not include information that was in excess of the application's space limitations or information that was submitted after the application deadline. Any requests for appeals must be filed with the CAC CEO + Executive Director within 10 working days after the conclusion of the panel review meeting. Requests received after 10 days will not be considered.

Please note: The panel's analysis and scoring of applications are *not* subject to appeal and therefore will not be considered for appeal by the CAC Board of Trustees. Neither grant awards nor grant award amounts are subject to appeal.

Funding Criteria and Scoring

What are Funding Criteria?

The Funding Criteria are the principles that anchor the Project Support application: Public Benefit; Artistic and Cultural Vibrancy; and Organizational Capacity.

Why Funding Criteria Matter

Panelists will use the Funding Criteria to evaluate and score the application. Your organization's commitment to Public Benefit; Artistic and Cultural Vibrancy; and Organizational Capacity should thread through your entire application, including the narrative, financials and support materials. By demonstrating this commitment, organizations of any size and discipline can achieve an exceptional rating in each of the three priority areas.

Panelists will evaluate and score the application using the following criteria for a total of 100 possible points:

Public Benefit: 45 points

CAC defines public benefit as an organization's ability to meaningfully engage its community through its project.

An organization meaningfully engages its community by:

- Demonstrating that it understands, works with, and responds to its community
- Using knowledge of its community to drive its work
- Building meaningful relationships with residents and community partners
- Being accessible and inviting to its community and open to the public

Artistic and Cultural Vibrancy: 35 points

CAC defines Artistic and Cultural Vibrancy as an organization's ability to create a quality project that inspires and challenges its community.

An organization inspires and challenges its community by:

- Engaging a diverse team of arts and cultural professionals, qualified to complete the project
- Inspiring its community to think creatively and/or differently
- Incorporating a process of reflection that ensures fresh programming

Organizational Capacity: 20 points

Cuyahoga Arts & Culture defines Organizational Capacity as an organization's ability to successfully plan for and manage its project.

An organization successfully plans for and manages its project by:

- Recruiting and retaining an engaged and diverse board, staff, and/or volunteers who are qualified to complete the project
- Planning as a team to set project goals, measure progress and evolve
- Having clear plans to implement the project and achieve stated project goals
- Setting a budget that is realistic and appropriate for the project; demonstrates a clear plan to reach the match requirement
