

Cuyahoga Arts & Culture
2013-14 General Operating Support
Total Scores (Approved by CAC's board
on November 19, 2012)

Thank you to each organization who applied for funding from Cuyahoga Arts & Culture (CAC) through its 2013-14 General Operating Support grant program.

On October 8-10, 2012, CAC assembled a panel of independent arts and culture experts from outside Northeast Ohio to evaluate and score each of the 61 applications to this program. Panelists awarded up to 100 points to each organization based on CAC's funding criteria. Per CAC's guidelines, organizations that received a panel score of 75 or higher were recommended to CAC's board for funding through the 2013-14 General Operating Support program. In addition, organizations in the funding pool had the opportunity to earn up to 15 additional points based on their financial health, for a final total score of 115 points. Those total scores are listed in the table below.

Grant award amounts were determined using a formula designed to generate an equitable distribution of grant funding to organizations in the funding pool by considering several factors, including panel score and financial health, among others. For more information about the funding formula, please see the [2013-14 General Operating Support Guidelines](#).
