Trustee Hanson asked if the money distributed by the County or by the Federal Government. Ms. Paulsen shared that the county requested that CAC distribute the dollars. Hanson asked if there will be an audit from the Federal government. Paulsen answered in the affirmative and said CAC is preparing for the audit.

Trustee Hanson also asked about the additional CARES dollars that were distributed from the County. Paulsen shared that Arts Cleveland distributed the additional dollars that went to artists and for-profit arts organizations. Paulsen shared that we will be working to get all dollars out by December 30, 2020.

5. FINANCE REPORT

Ms. Harris' report can be found <u>here</u>.

Ms. Paulsen asked about the status of funds in the reserve investment accounts. Ms. Harris stated that the reserve did not decrease in 2020 as CAC will not need to draw on the reserve, as planned, this year due to higher tax receipts and lower expenses. She stated that CAC does need to have cash on hand to cover any grants approved by the Board at the time of approval.

6. BOARD ACTION - Finance and General Business

Approval of 2021 Operating Budget

Ms. Paulsen presented the Board the 2021 operating budget, which is available in Budget Memo. Ms. Harris stated that it doesn't vary from much from the previous year's budget or long-term projections. The budget reflects a commitment to keeping General Operating Support and Project Support as steady as possible.

Motion by Trustee Hanson, seconded by Trustee Scott Taylor, to approve the CAC's 2021 operating budget. Discussion: None. Vote: All ayes. The motion carried.

Contracts Policies

Ms. Paulsen provided an overview of the two contracts included in the board packet for Board approval.

Motion by Trustee Sherman, seconded by Trustee Hanson, to approve a contract with DataArts in the amount of \$20,000 for January 1 – December 31, 2021. Vote – Ayes: Hanson, Mendez, Sherman. Nays: None. Abstain: Garth. The motion carried.

Motion by Trustee, seconded by Trustee, to approve a twelve-month contract for \$24,000 with Compelling Communications for work in the areas of communications and media relations. Discussion: None. Vote: All ayes. The motion carried.

Policies

Investment policies adjustment. Ms. Harris shared that the Audit and Finance Advisory Committee recommended an update to CAC's Investment Policy to bring it line with the Ohio Revised Code. The proposed change updates the investment length for certain investments and explicitly states that we can work with an investment advisor.

Motion by Trustee Hanson, seconded by Scott Taylor, to approve the updated Investment Policy as presented to the Board. Discussion: None. Vote: all ayes. The motion carried.

Strategic Alliance Update

Trustee Sherman thanked reporter Steven Litt for his recent article and shared the ways that the new alliance will be transformative.

Trustee Mendez said the collaborative nature of this work and how it's impact will be reflective of the changes that will be seen across the sector.

Trustee Hanson stated that the late Steve Minter had once shared that CPAC and Cuyahoga Arts & Culture need to work together to create a full vision for our arts and cultural sector and that initially this was a partnership that wasn't seen as viable but now this a vision coming true.

Trustee Sherman stated that this work and alliance will be working for the community and not just the individual.

Ms. Paulsen said that more information is available on our website <u>here</u>. She added that this work is really for artists, nonprofit and for-profit arts organizations, and residents. This work and alliance are about bringing equity to the forefront and is not just about "expanding the table" but about "building new tables".

7. ADJOURNMENT

Trustee Sherman thanked the CAC staff for their great work over the year and thanked her fellow Board members for their commitment and hard work.

Motion by Trustee Scott Taylor, seconded by Trustee Hanson, to adjourn the meeting. Discussion: None. Vote: all ayes. The motion carried. The meeting was adjourned at 4:28 pm.

The next meeting will be held at 4:00 pm on Wednesday, February 10, 2021 as a Virtual Event.

Executive Director's Report

Regular Meeting of the Board of Trustees: February 10, 2021

Welcome to our first CAC Board meeting of 2021.

This meeting marks a full year since last we've met in-person. As we "gather" on Zoom today, we do so on behalf of the nearly 300 arts organizations we fund as they do their best to weather the pandemic. I thank you for your commitment to our mission and ongoing support of our team; together, we're working hard to support our arts community.

Today's meeting should be straight-forward and relatively short. There is one grantmaking action for your approval. We will ask you to formally accept a grant from the County and approve the distribution of additional **CARES Act funds**, which we received and distributed in the final days of 2020.

In addition, I call your attention to the **staff report** in this packet. It provides a preview of what you can expect at the April annual meeting, including updates on the development of 2022-2023 General Operating Support and 2022 Project Support guidelines, as well as an outline for our new Cultural Heritage program. The entire team is collaborating to move this core work forward.

Finally, I'm pleased to share more on the **arts alliance** and our efforts to co-lead the **expansion of public revenue** for local arts and culture nonprofits when we meet. It's an exciting time to be working in partnership with our colleagues at Arts Cleveland and the Arts and Culture Action Committee.

I thank you in advance for spending time with the Board materials in this packet and participating in our Zoom meeting on the 10th.

Respectfully,

Jill

Updates from CAC Staff

CAC Board of Trustees Meeting – February 10, 2021

Each year, Cuyahoga Arts & Culture staff members identify team objectives to guide our work that are mindful of the staff team <u>agreements</u> that we have made with one another, and grounded in CAC's <u>Mission</u>, <u>Vision & Values</u>. Our team objectives fall into three areas: 1) grantmaking; 2) communication and raising awareness; and 3) effective teamwork and operations.

What follows is brief update on the progress made since last the Board met in December. View a list of our 2021 team objectives, which guide our work.

1. GRANTMAKING - Connecting with artists and organizations

CARES Funding Successfully Distributed

In late December, CAC received a **second round of CARES relief funds** from Cuyahoga County for arts and culture nonprofits which was distributed on December 30, 2020. We will ask the Board to formally accept the funds and approve the 56 grants totaling \$336,350 (listed later in the packet) at this meeting. In total, CAC regranted a total of \$2,998,126 to 94 organizations with the approval of the County Executive and County Council.

Closing Out 2020 Grant Programs

To date, nearly all **2020 General Operating Support Year-End Reports and 2021 Goals** have been submitted. Once reviewed and approved by program staff, the first 50% of 2021 grant amounts will be released. In their year-end reports, General Operating Support grant recipients reflect on **the impact of the COVID-19 pandemic**. CAC staff are compiling these data to share key takeaways in the following weeks.

During 2020, CAC offered a series of 'sold-out' technical assistance workshops to **support the Racial Equity Commitments** all General Operating Support grant recipients developed as part of their CAC grant. Through survey feedback from participants, respondents indicated that the **workshops helped organizations work toward their racial equity goals and would participate in future sessions.**

As of December 31st, all 2020 Project Support grantees have completed their project activities. Staff are working with grant recipients to complete reporting requirements and close out these grants. All final reports for 2020 Project Support are expected to be submitted by March 1st.

Launching 2021 Grant Programs

2021 Project Support has launched! Staff are working with 229 organizations through online workshops and outreach to offer support and communication through the ongoing pandemic and ensure grant recipients are in good standing and maximize their grant in the year ahead.

SPACES and Julia de Burgos have launched the applications for their Support for Artists programs. Each organization will work with 10 artists in 2021. Support for Artists work continues with Karamu House, Cleveland Public Theater, LAND Studio and Learning Lab participants as well. Learn more and encourage artists and creatives in your network to apply.

CPCP's Learning Lab, with Support from CAC continues in 2021. Project teams of twelve local artists and twelve CAC-funded nonprofits are continuing their collaborations to create civic practice projects. The

project period was extended through December 31, 2021, to allow groups additional time to make adjustments in light of the pandemic. CAC and CPCP continue to meet with participants to offer support and will provide highlights of these arts projects in the near future.

Continuing our commitment to Resident-led Work in 2021

Through our partnership with Neighborhood Connections, CAC will offer six virtual Arts & Culture Network Nights in 2021. Currently planned as online gatherings, these convenings will take place the 4th Thursday in February, April, June, August, October, and the 2nd Thursday in December. We look forward to seeing you there!

For the ninth year, CAC is co-funding resident-led, grassroots arts and cultural projects in Cuyahoga County through a grant to Neighborhood Connections. **Applications for Neighbor Up COVID-19 Rapid Response Grants** are open and have a rolling deadline through June 30, 2021. Applications for projects with an arts and culture component are eligible for co-funding through CAC. Please help to spread the word and encourage Cuyahoga residents to apply!

Planning for 2022 Grant Programs

As part of our **annual planning process for the 2022 grant application cycle**, see below for an initial outline of anticipated policy and program changes. Between now and April, staff will finalize these recommendations and present them to the Board for its approval at its annual meeting on April 14. There will be no Board action related to these guidelines at our February meeting.

Note: all grant programs will be designed to fit into budget forecasts and anticipated financial modeling.

- <u>All Grant Programs</u>: CAC's value of racial equity will more explicitly thread throughout the current funding criteria (public benefit, artistic/cultural vibrancy; and organizational capacity).
- Project Support 2022: We plan to merge Project Support into one grant program, rather than two; as well as reduce the maximum grant amount from \$25,000 to \$20,000. Maximum grant amounts would continue to be based on 15% of an applicant's budget for public arts and culture programming per the guidelines. New applicants and those submitting a 990-N would continue to only be eligible for up to \$5,000. These changes streamline internal processing of the grants while addressing CAC's cumulative revenue decline.
- GOS 2022-2023: All groups interested in General Operating Support will complete an eligibility check mid-summer to affirm that they meet the requirements for the 2022-2023 grant cycle. New applicants and current GOS grant recipients who have not received four consecutive grants from CAC, including at least one round of operating support, will be required to apply and participate in the panel process; all others not need complete a full application nor participate in panel to receive funding in 2022-23.

CAC will, once again, consider caps on the largest grants to be distributed through the program. Continuing this practice ensures that all eligible organizations receive meaningful grants.

CAC will consider revising its Eligible Revenue and Support Form to include categories for Tuition for Credit Bearing Courses and Housing, Room and Board under the Non-Eligible Revenue and Support section. This change would bring the revenue an organization can include as eligible in line with the intention of grants made through these public funds. It would also mirror practice of other public funders who require operating funding to focus on public programming. Finally, this change will help address the revenue declines by redistributing funds to organizations providing publicly accessible programming.

New in 2022: CAC will launch a new Cultural Heritage program to provide flexible support to
organizations for whom General Operating Support is not a good fit organizationally. Applicants
must have a primary mission of arts and culture, a budget of less than \$500,000, and be
representative of the culture of American Indian/Alaska Native, Asian, Black/African American,
Hispanic/Latino, Native Hawaiian/Pacific Islander, or other culturally specific population.

This program is modeled off successful work at the Ohio Arts Council and the City of Dallas, both public grantmakers. Applicants will only be eligible to apply to one of CAC's primary grant programs. Grant amounts will be determined based on 990s and will be up to \$30,000 based on an organization's total revenue line. This program is designed to fit within the budget and allocation projections for 2022 grant programs.

2. COMMUNICATIONS / Connecting with residents

Media Partnerships Highlight Stories of CAC Grant Recipients. In 2021, CAC will continue to leverage a selection of modest paid media partnerships which promote the unique or lesser-known stories of our grant recipients. Promoted stories will focus on highlighting racial equity and direct viewers to the ClevelandArtsEvents.com website, with an emphasis on virtual events at this time. Partnerships include:

- Fresh Water Cleveland Seven original stories and one "FreshFaces" podcast interview.
- WKYC Channel 3– Nine appearances throughout 2020 to promote the events and programs of CAC-funded organizations.

Together these media partnerships will help CAC continue to reach thousands of residents and visitors and to connect them to the CAC-funded activities taking place across Cuyahoga County.

Media Placements. In addition to consistent crediting for Cuyahoga Arts & Culture in the media by our partners, below is a sampling of recent media clips focused on CAC's work:

- Cuyahoga Arts & Culture announces 2021 grants, celebrates 16 first-time recipients "The many Northeast Ohio organizations that have benefitted from Cuyahoga Arts & Culture (CAC) grants over the past 13 years not only know the importance of their work in enriching the region, but they also know that without funding it is often tough to survive." (December 10, 2020) Fresh Water Cleveland
- Cuyahoga Arts and Culture Awards \$260,000 To Support Local Artists | Arts & Culture

 "Arts funding agency Cuyahoga Arts and Culture (CAC) awarded grant money Wednesday to
 support the work of area artists. \$260,000 in support and services will be distributed through three
 local non-profits." (December 10, 2020) ideastream
- Arts Cleveland distributes \$1.3 million in federal CARES Act pandemic aid to artists, cultural businesses "Cuyahoga Arts and Culture, the public agency that distributes some \$12 million a year in county cigarette tax revenue to cultural nonprofits in the area, received \$2.66 million of the county's CARES money, which it plans to distribute this month to 94 organizations..." (December 10, 2020) cleveland.com

See a full list of media placements since CAC's last Board meeting.

3. BUILDING INTERNAL CAPACITY / Effective Teamwork and Operations

As part of our work toward becoming a multicultural organization, the team completed the Intercultural Development Inventory as a team to inform how to work effectively together and increase individual cultural competence.

All CAC staff have fulfilled their orientation requirements as members of **Government Alliance on Race & Equity (GARE)** and are focused on joining working groups and developing relationships with public sector peers.

Cheyanne Jeffries, our **Cleveland Foundation Public Service Fellow**, continues to support the work of the grant program team. In March, she will host an immersion day for all Cleveland Foundation Public Service Fellows.

FINANCIAL UPDATE

2020 Unaudited Results

Revenue. Final, unaudited tax revenue for 2020 was \$12,732.464. Tax revenue for the year was \$711,464 (5.9%) above forecast and 1% (\$179,674) higher than 2019 tax receipts. Interest revenue was \$285,240. Additionally, CAC received \$3 million from Cuyahoga County from their CARES Act allocation and \$50,000 from the Cleveland Foundation for our Fellow. Total revenue was \$16,067,704.

Expenditure. Final, unaudited expenditures for FY2020 were \$15,837,925, ending the year \$1,897,794 over budget. When we factor in the \$3 million that passed through CAC from CARES Act funding, the expenses were \$1,146,207 under budget. The expenses were lower than planned primarily related to the impact of COVID-19 and the inability of grantees to safely conduct their programming in 2020. Grantees were given the opportunity to postpone their programs to 2021 and nearly 70 organizations elected to do this. As a result of higher than forecast revenue and lower expenses, CAC added \$229,779 to its cash reserve.

Annual Audit. The Local Government Services division of the Ohio Auditor of State began work on CAC's GAAP conversion for 2020 in early January and will finish the conversion in February. This year CAC will also undergo a single federal audit, a requirement because we received the CARES Act grant.

2021 YTD

Revenue. Tax revenue through January 31 was \$879,2605. This is \$145,714 (14.2%) below estimate. Interest revenue through January was \$4639.

Expenditure. The majority of CAC's budget is comprised of grants which were approved in 2020. These grants are accrued at the beginning of the year and recognized on the balance sheet. Nongrant expenditures for January were \$99,072.

Investments. As of January 31, CAC inactive monies are invested as follows:

- STAR Ohio: \$6,229,973 (yield .1%)
- RedTree Investment Group: \$12,778,746 (target yield 1.45%)

COVID-19 Impact on Cuyahoga County Arts & Culture Nonprofits & Creative Workers

2020 Summary: March 12, 2020 - December 31, 2020

The ongoing COVID-19 pandemic has been devastating for local nonprofit arts organizations and creative workers.

After more than ten months, artists and organizations have developed some new programs and have taken existing programs online. But overall, the pandemic continues to negatively impact our community's economy and quality of life.

As of December 31, 2020, **65 Cuyahoga County-based arts and cultural nonprofits report**:

Job Loss

Laying off, reducing hours, or canceling contracts of **3,157** people has resulted in a loss of compensation totaling **\$15,769,451**.

16% of full and part-time staff were laid-off, **38%** of staff experienced furloughs or salary reduction.

Contracted workers were hardest hit, with **61%** of all contracts canceled.

Revenue Loss

Organizations lost \$119,001,653 in earned and contributed revenue (ticket sales, admissions, donations, etc.). This represents a 29.4% decrease in revenue from 2019.

Decreased Services for Residents

6,539 events or activities were canceled or delayed indefinitely, ranging from music lessons to in-school arts education to large-scale festivals.

Federal Funding Provides a Stopgap

Of the 65 organizations surveyed, **108 applications for CARES Act funding** have been submitted, and **\$36,762,954** in federal funds have been distributed.

Despite this financial assistance, **50% said their organization would not survive more than 12 months without additional funding.**

CAC's COVID-19 Response

Cuyahoga Arts & Culture funds 65 nonprofits through its General Operating Support (GOS) grant program ranging in annual budgets of \$120,000 to \$70 million.

GOS grants provide the largest, most flexible and consistent local funding (\$10.2M in 2021) to arts nonprofits in our region.

In 2020, CAC accelerated payment of \$5.1M to these 65 organizations, helping some to retain staff and improve cash flow.

CAC also distributed \$3M in CARES Act funding provided by Cuyahoga County to 94 arts and cultural nonprofits to help cover necessary expenses incurred due to the COVID-19 pandemic.

Adapting and Looking Ahead

Taking Programming Online: In 2020, **4,378 new, online events/activities** were created in response to COVID-19 pandemic, and **3,204 existing programs were modified** to go virtual. All (100%) of the 65 organizations surveyed conducted online programming in 2020.

Budgets Were Balanced by Reducing Expenses: Most groups were able to stay modestly "in the black" in 2020 by significantly decreasing their expenses in line with revenues. On average, revenues were **2.6% higher than expenses for 2020** (as opposed to **10% lower in 2019**). This is significant as there was a \$118M decrease in revenue in 2020. Organizations are making wise, but difficult, business decisions to ensure they can weather the pandemic.

Reserve Funds Up: Despite widespread financial hardship, most groups have not yet tapped into reserves (in fact, financial reserves at the end of 2020 were 16% higher than in March, likely due to increases in the stock market where many organizations invest their endowments).

What's Next? Many local arts and culture organizations continue to seek clear and direct public health advice to guide their work, especially as vaccines become available to the public. As arts organizations and venues consider or begin to re-open in a safe manner, full recovery still appears 4-5 years away (see *below*).

COVID-19's Impact on the State & National Creative Economy

In Ohio:

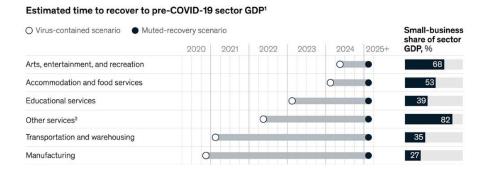

- According to a Brookings Institute Study (August 2020), an estimated one-third of the jobs in Ohio's creative economy are gone.
- According to the November 2020 Ohio Labor Market Information, Ohio's arts, entertainment, and recreation unemployment rates are the highest along with accommodation and food services, and leisure and hospitality. Arts and entertainment have been the highest unemployed sector since May 2020. Before COVID-19, Ohio's creative economy was a \$41B industry, employing nearly 300,000 people.

Nationally:

McKinsey & Company anticipates that it will **take the arts sector until 2025 to recover** to pre-COVID-level of contribution to national GDP.

In a muted recovery, it could take more than five years for the most affected sectors to get back to 2019-level contributions to GDP.

CARES Act Grants Board Action: Approve 2020 CARES Additional Grant Awards
