Next Regular Board Meeting: September 14, 2023
Minutes of the Regular Meeting of the Board of Trustees
Wednesday, February 15, 2023

A regular meeting of the Cuyahoga Arts & Culture (CAC) Board of Trustees was called to order at 4:00 at Trinity Commons in Cleveland, Ohio.

The roll call showed that Trustees Isenhart, Mendez, Scott Taylor, and Sherman were present. It was determined that there was a quorum.

Also in attendance were: Jill Paulsen, executive director, and CAC staff.

1. APPROVAL OF MINUTES

Motion by Trustee Scott Taylor, seconded by Trustee Isenhart, to approve the minutes from the December 14, 2022 Board meeting.

Discussion: Trustee Sherman stated that she had two corrections for the minutes. The first was under section 4; she did not second this motion, it should be corrected. She added that under section 4, Approval for Grants: Support for Artists, she first made two friendly amendments which were not seconded and then made the motion included in the minutes. She would like this reflected. She motioned to have the amendments accepted.

President Mendez asked the Board to vote on approving the minutes as amended by Trustee Sherman.

2. PUBLIC COMMENT ON MEETING AGENDA ITEMS

There were no comments on the meeting agenda items.

3. EXECUTIVE DIRECTOR'S REPORT

Ms. Paulsen thanked everyone for joining her and the Board. Ms. Paulsen’s remarks can be found here.

In response to Ms. Paulsen’s report, Trustee Sherman requested a full breakdown of how the funds made possible by ARPA were granted to General Operating Support and Project Support grantees and artists. Ms. Paulsen clarified that no artists received funds from CAC; they were funded by Assembly, as were creative businesses. Ms. Paulsen noted that of the $1.65M that CAC distributed to arts nonprofits, 70% was used for personnel (staff, contract personnel, artist fees, and interns) and 13% was used for rent, utilities, and space rental.
Trustee Sherman said that in the executive director’s report it was noted that it is expected that CAC will allocate less money to grantmaking in 2024. Trustee Sherman said that this is a policy decision made by the Board. She believes CAC should be spending more money and push out more money that the community can use. Ms. Paulsen said that throughout its history, CAC tells grantees to anticipate smaller allocation every cycle due to anticipated, declining revenue. She noted that if the levy passes (providing additional revenue) CAC would recommend increasing the overall funding amounts for grantmaking. She added that most of the funds on CAC’s balance sheet right now are already committed (to 2023 grantmaking) and are not available for grantmaking. Trustee Sherman would like to see a public hearing for comment on financial needs in the community. Trustee Mendez said she supported conservative budgeting in order to provide for 10 years of grantmaking from each levy cycle.

4. REPORTS – GRANTMAKING

Mr. Sinatra provided brief remarks regarding the preview to changes to grant guidelines for 2024 grant opportunities from pages 8 and 9 of the Board materials. He stated that across the three grant types the goal is to simply and streamline the application and panel process. There are no recommended policy changes to General Operating Support. Changes to Project Support and Cultural Heritage are minor and are primarily focused on implementing commitments that the Board made last year. Guidelines will be brought forward to the Board at the April meeting for its approval. Mr. Sinatra said that feedback is collected from applicants, grantees and panelists through the whole cycle and is incorporated into future grant cycles.

Trustee Sherman motioned that the Board make a policy decision on how it will treat grantmaking, whether CAC keep reducing grants, or does it anticipate the levy dollars coming in and include them. No second.

Ms. Paulsen said that policy decisions regarding allocation are historically made in September, when CAC has a better picture of its annual revenue and revenue trends. Trustee Mendez said that we do have these discussions, they are held annually in September.

Trustee Sherman motioned that CAC have a discussion on how funding is done and that there be a public hearing. Trustee Scott Taylor amended that CAC staff hold public hearings and provide feedback to the board. Trustee Sherman rejected the amendment. No second.

Trustee Isenhart motioned to add extended time to the September meeting to allow for additional discussion and comments from the public related to the allocation. Second: Trustee Scott Taylor second. Vote: Ayes: Isenhart, Mendez, Scott Taylor. Abstain: Sherman

5. BOARD ACTION – Finance and General Business

Ms. Harris provided the financial update. The finance report can be found in the board materials here.

Ms. Paulsen stated the Board had been given a personnel report pertaining to the hiring of Maya Curtis, who will join CAC as a grant manager. Ms. Paulsen asked that the Board vote to approve the personnel report.

Motion to approve the personnel report dated February 15, 2023 by Trustee Scott Taylor; seconded by Trustee Mendez. Discussion: None. Ayes: Isenhart, Mendez, Scott Taylor. Abstain: Sherman.

Contracts and Policies

Ms. Paulsen stated that CAC’s current lease expires on March 31 and Playhouse Square Real Estate (PSRE) will not be renewing the lease for CAC’s current space because PSRE is moving forward with its longtime master plan to do major renovations to the Bulkley building on floors 4-7. Therefore, PSFE is not renewing
or extending leases for any tenants occupying floors 4 -7 of the building. PSRE has provided CAC with an excellent option for new, flexible office space. They have converted the 4th Floor of the Hanna Building to flexible, furnished, shared workspace where CAC can rent just the space it needs while also having access to a several conference rooms, a full kitchen, and included utilities and internet. The rental is month to month and allows us to add or drop space, as needed. CAC will be able to lower its annual rent and occupancy expenses by approximately $15,000 per year with this move.

Motion by Trustee Scott Taylor, seconded by Trustee Isenhart, to approve changes in CAC’s office space to move to a month-to-month agreement with Playhouse Square Real Estate Vote – Ayes: Isenhart, Mendez, Scott Taylor. Nays: None. Abstain: Sherman. The motion carried.

6. OTHER BUSINESS

Pete Saudek, Cleveland Action Strategist, from ioby (in our back yards) provided an update on CAC’s partnership with ioby for grassroots and crowd-sourced grantmaking. Trustee Sherman asked if there are any other nonprofits that work with incarcerated individuals. CAC staff responded that In Education and Writers in Residence work with incarcerated individuals.

Mr. Jeremy Johnson, CEO of Assembly for the Arts, provided an update on the current advocacy efforts for additional public funding for the arts that would be distributed by CAC. He said that State Bill 164 passed, which gives Cuyahoga County voters the ability to go to the ballot to expand the cigarette tax and also include a vaping tax. This is the first major step in expanding the pie. Mr. Johnson expressed his gratitude to the many elected officials who worked together to make this happen. He stated that it is too early to determine when the issue might go on the ballot. Mr. Johnson also provided an overview of Assembly’s current work.

7. PUBLIC COMMENT

Liz Maugans, artist

8. ADJOURNMENT

Motion by Trustee Scott Taylor, seconded by Trustee Isenhart, to adjourn the meeting. Discussion: None. Vote: all ayes. The motion carried. The meeting was adjourned at 5:06 pm.

The next meeting will be held at 4:00 pm on Wednesday, April 19, 2023.

Executive Director’s Report

April 19, 2023

Welcome to CAC’s 2023 Annual Meeting.

Today we welcome new trustee Dan Blakemore and thank returning trustee Dr. Michele Scott Taylor for continuing her service. Both were appointed to three-year terms on CAC’s Board by the County Executive and confirmed by County Council. We appreciate every Board member and their commitment to CAC’s mission and willingness to serve on behalf of all County residents.

At this meeting, the Board will be asked to approve the policies within CAC’s 2024-25 General Operating Support, 2024-25 Cultural Heritage, and 2024 Project Support grant guidelines. The documents reflect ongoing community feedback and recent board discussion. We are proud to move forward grant opportunities that:

1) streamline and simplify application and panel process; and
2) provide stability and implement multi-year funding commitments.

See the memo and accompanying Key Updates: CAC’s 2024-25 Grantmaking chart for further details. The guidelines are included at the end of this packet. Thanks to the full team for their excellent work over the last 10 months to get us to this point.

This packet also includes a recommendation for a planning grant of up to $20,000 to Assembly for the Arts to begin an immediate listening, engagement and planning effort with artists and residents that will result in a community-driven plan for how 2024 Support for Artist (SFA) funds could be spent. This new approach builds on the current SFA success, while providing opportunities for many artists to inform CAC’s grantmaking and future Assembly artist programs.

Finally, CAC’s annual meeting brings yearly actions. The Board will elect its slate of officers. It will also elect members to our audit and finance advisory committee, as well as ex-officio voting members of Assembly for the Arts.

I appreciate your attention to matters before the Board today.

Respectfully,

Jill Paulsen
Executive Director
Updates from CAC Staff

April 19, 2023

CAC’s work is rooted in our 10-year community planning process, that identifies the two constituents that we must serve as: 1) nonprofit arts organizations; and 2) the residents of Cuyahoga County. Every year staff creates a flexible work plan that is grounded in this framework and CAC’s Mission, Vision & Values.

What follows is a brief update on the progress made since the last Board meeting in February.

1. GRANTMAKING: Connecting with and serving nonprofit organizations

2023 Grant Cycle
General Operating Support and Cultural Heritage grantees have completed and finalized their 2023 Goals. Following approval, CAC staff released the first 50% of each organization’s 2023 grant. Grantees regularly report on their progress in the Mid-Year reports/check-ins and Year-End reports.

Project Support grantees are beginning to implement projects; many groups request advance payments to carry out their work. Staff provides ongoing technical assistance and support to ensure grant recipients are in good standing.

Support for Artists grantees SPACES and Julia de Burgos Cultural Arts Center have selected or announced their initial cohorts of funded artists through their respective CAC-funded programs. Assembly for the Arts launched its new program, the Creative Impact Fund, with an application deadline next month. Karamu House will launch its Room in the House residency in the coming weeks. Learn more and encourage artists and creatives in your network to apply here.

Neighborhood Connections will announce its first round of 2023 Neighbor Up Grants next month. CAC will be co-funding arts and culture projects from this pool. Through our partnership with Neighborhood Connections, CAC and Assembly for the Arts offered the first Arts & Culture Network Night of 2023 in late February. More than 100 artists and residents participated. See details about the next event here.

ioby continues to see strong participation in the CAC Match Fund. Match funding is available on a rolling basis throughout 2023.

Launch of 2024 Grant Cycle
CAC is pleased to present the 2024-25 General Operating Support, 2024-25 Cultural Heritage, and 2024 Project Support grant guidelines in a memo enclosed in these materials. Across all our grantmaking, CAC is prioritizing:

- a simplified application, scoring framework, and reporting process, to reduce administrative burden on applicants and volunteer panelists. CAC will continue to employ best practice in all areas of its grantmaking.
- providing more consistent funding: as approved in previous grant cycles, CAC will implement two-year grant commitments in Cultural Heritage and Project Support, for groups who meet specific criteria.

See the memo enclosed in this packet for additional details and recommended Board actions.
2. COMMUNICATIONS: Connecting with residents

ClevelandArtsEvents.com Updates and Collaboration with Assembly
For 2023, CAC is updating its existing events promotion website, ClevelandArtsEvents.com, so that it better serves residents, grantees, and artists (see below). This work is in collaboration with the team at Assembly, who collaborates and co-promotes the site. Recognizing this partnership and both the increase in events taking place as groups emerge from the pandemic, site traffic in Q1 2023 increased more than 25% over 2022. More than 23,000 users viewed the website more than 60,000 times in the first three months of the year. We look forward to launching the updated site and continuing to build on this success in conjunction with the Assembly team.

Website Updates
Updates to Cuyahoga Arts & Culture’s digital presence are underway with updates to CAC’s web pages anticipated in summer 2023. The ClevelandArtsEvents.com website will feature easier-to-navigate layouts, an updated brand and colors, and more opportunity to highlight artists, in collaboration with Assembly. CAC’s main website, cacgrants.org, will feature simplified navigation for grantees and applicants, as well as increased accessibility in its design. We look forward to sharing these updates with you and our key stakeholders in the coming months.

CREW Updates
The Core Racial Equity Working group (CREW) serves as the advisory and recommending body to CAC for internal racial equity initiatives that lead to a racially equitable workplace. In 2023, the CREW updated its roles and responsibilities, to highlight ways that CREW can more regularly connect with the full CAC team. In addition, CREW set 2023 goals, which are designed to move CAC along the Continuum on Becoming a Multicultural Organization, a framework we have been using since 2020.

MEMORANDUM

Date: April 19, 2023
To: CAC Board of Trustees
From: CAC Staff
Grant Guidelines

Executive Summary: Staff recommends the next cycle of grantmaking for Board approval. These policy documents shape CAC’s grantmaking and are the result of months of planning and feedback from grantees and the community.

Background
This summer, Cuyahoga Arts & Culture will accept applications to all three of its primary grantmaking initiatives: General Operating Support, Project Support, and Cultural Heritage:

- **General Operating Support** (GOS) grants are core to CAC’s work and provide multi-year, flexible support to qualifying organizations with a primary mission of arts and culture in Cuyahoga County. In 2023, 68 grantees share in nearly $10.2M in GOS funding.

- **Cultural Heritage** grants provide flexible, multi-year organizational support for qualifying organizations. In 2023, 12 grantees received just more than $219,000.

- **Project Support** (PS) grants promote public access and support the breadth of arts and culture programming in Cuyahoga County. For the 2023 Project Support grant cycle, 193 grant recipients received approximately $1.35 million.

2023 total allocation and number of grantees above are included to provide a sense of the scope and scale of each grant opportunity. CAC’s Board will approve the number of 2024 grantees, grant amounts and allocations in November 2023.

Nonprofits based in Cuyahoga County that meet CAC’s eligibility criteria can apply for one of the open grant opportunities: GOS24-25, CH24-25, or PS24 funding.
**Grantee & Community Feedback**

Each year, CAC solicits and responds to formal and informal feedback from applicants and grant recipients to inform the grant guidelines, application, and panel process.

- All applicants receive a survey requesting feedback on the eligibility check, application, and panel processes.
- CAC hosts several technical assistance opportunities for applicants and takes feedback during those sessions.
- CAC hosts conversations on its process and grant opportunities at Arts and Culture Network Nights.
- Throughout the year, CAC is responsive to ongoing calls and emails from applicants, grant recipients, and those interested in the process but have never applied.

This year, CAC also met with staff at Assembly for the Arts to gather feedback on our grant guidelines. We once again offered a public comment period on draft guidelines.

Respondents indicated CAC’s guidelines were easy to read and understand, and that the application requirements align with the guidelines and funding criteria. Most respondents liked the formatting and indicated the guidelines were well-formatted, clear, and user-friendly. Some respondents asked specific questions about requirements, which staff clarified in follow-up calls or communications. Feedback from grantees also resulted in changes to the application materials, often to clarify language.

**Recommendations**

A chart outlining the recommendations for 2024-25 General Operating Support, 2024 Project Support, and 2024-25 Cultural Heritage follows this memo. These recommendations are in response to Board discussion and community feedback.

1. **Streamline and simplify the application and panel process**
   a. CAC’s three core funding criteria remain unchanged; CAC has simplified and clarified the definitions and descriptions to make them easier to understand for both panelists and applicants.

   b. The scoring framework, which panelists use to score applications, has been updated to be consistent across all three grant types. The language has been simplified to correlate more directly with the funding criteria. Grants of $5,000 or less are scored using a simple, non-numerical framework. This increases transparency and makes it easier for panelists and applicants.

2. **Provide stability and implement multi-year funding commitments**
   a. Board-approved last year, CAC will implement its multi-year commitment to Project Support funding. PS remains open to new applicants every year; however, current PS 2023 grantees doing the same project in 2024 will receive a second year of funding without going through the full application or panel process. This eases the workload for existing grantees, builds on a trust-based philanthropy approach, and allows CAC to plan and make grants within budget.

   b. Board-approved last year, CAC will implement its multi-year commitment to Cultural Heritage funding, in line with General Operating Support. GOS and CH are open to new applicants in 2023 and will provide a two-year funding commitment in 2024 and
2025. This eases the workload for grantees and allows CAC to plan and make grants within budget.

c. Cultural Heritage grants will be determined based on two years of averaged financials, instead of one. This reduces fluctuation in grant amounts and helps grantees to plan.

REVIEW PROCESS

All eligible applications are evaluated by a panel of arts or cultural professionals from outside the region in a transparent panel review process.

Panelists are chosen to represent a cross-section of professionals qualified to provide expert knowledge of specific arts or cultural disciplines, as well as for their management experience, professional knowledge of the sector and prior panel experience. CAC makes every effort to ensure that the panel is diverse in all respects. All panelists receive an honorarium for their service.

CAC provides the applications and support materials to panelists approximately four weeks prior to the panel review to allow panelists sufficient time for their evaluation. During the panel review meeting, the panel will evaluate all eligible applications based on CAC’s Funding Criteria:

- Public Benefit
- Artistic and Cultural Vibrancy
- Organizational Capacity

CAC reviews applications for completeness but does not score or provide opinions. CAC will manage all administrative and logistical tasks necessary to conduct a successful panel review; provide panelists all documentation necessary to evaluate applications effectively; inform the panel in matters of CAC policy and procedures; provide all available objective information regarding an applicant to the panel, and serve as panel chair.

Public Panel Review Meeting
The panel review will stream live on CAC’s website for the public to watch the week of September 18, 2023. CAC will notify all applicants of the panel review meeting times and will post all details on the CAC website in advance.

POST-APPLICATION

Appeals Process
CAC will only consider and review appeals that are evidence-based and due to materially significant CAC processing errors that could have compromised an applicant’s grant proposal. This does not include information that was in excess of the application’s space limitations or information that was submitted after the application deadline. Any requests for appeals must be filed with the Executive Director within 10 working days after the conclusion of the panel review meeting. Requests received after 10 days will not be considered.

Please note: The panel’s analysis and scoring of applications are not subject to appeal and therefore will not be considered for appeal by the CAC Board of Trustees. Neither grant awards nor grant award amounts are subject to appeal.

Board Meeting
Panel scores and grant amounts will be approved at the November CAC Board of Trustees meeting. This meeting is open to the public, and applicants are welcome to attend but not required.

GOS grant amounts are determined by a formula designed to distribute funding to recommended organizations by considering several factors, including:

- The total amount allocated to be granted for that GOS cycle;
- The averaged operating budget for the previous three fiscal years (FY20, FY21, and FY22) of each organization, as determined by each applicant’s Eligible Revenue and Support (ERS) forms; and
- The aggregation of all GOS grant recipients’ operating funds as determined by ERS forms; and
- The maximum annual grant amount for any one organization which will be adjusted in proportion to changes in the allocation.

Recommended grant amounts will be shared with applicants prior to the November board meeting.

COMPLETE ERS FORM

All organizations that receive a score of 75.00 or higher must complete the Eligible Revenue and Support Form for FY20, FY21 and FY22. The ERS form is where an organization enters its annual sources of funding. It is used to determine the base revenue figure for each organization in the GOS pool, which is used in the funding formula. A grant manager will reach out to organizations recommended for a GOS grant after panel is concluded to begin this step in the process.
# PANEL SCORING FRAMEWORK

Panelists will submit a score for each of CAC’s three funding criteria, creating a total score based on the following framework:

<table>
<thead>
<tr>
<th>Has the application demonstrated the funding criteria?</th>
<th>Public Benefit: 45%</th>
<th>Artistic &amp; Cultural Vibrancy: 35%</th>
<th>Organizational Capacity: 20%</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>The applicant has provided weakly evidence that this funding criterion is met.</td>

Matching funds may not include other funds from CAC. This includes any CAC co-funded grants. Contact CAC with any questions.

Reporting Requirements:
All 2024-25 GOS grant recipients will submit yearly goals and have four online reports to submit throughout the cycle: mid-year and year-end reports in 2024 and 2025. These reports allow CAC to better understand progress made against goals, offer support where necessary, and provide an opportunity for organizations to reflect on their activities during the year. Reports consist of a narrative portion, financial documentation, and other required support material; instructions will be posted online at least 45 days in advance of deadlines. Grant recipients that submit a late final report, or do not submit a final report, may receive a reduced or revoked final grant amount.

APPLICATION DUE - THURSDAY, AUGUST 3, 2023 BY 4:30PM ET
REVIEW PROCESS

All eligible applications are evaluated by a panel of arts or cultural professionals from outside the region in a transparent panel review process.

Panelists are chosen to represent a cross-section of professionals qualified to provide expert knowledge of specific arts or cultural disciplines, as well as for their management experience, professional knowledge of the sector and prior panel experience. CAC makes every effort to ensure that the panel is diverse in all respects. All panelists receive an honorarium for their service.

CAC provides the applications and support materials to panelists approximately four weeks prior to the panel review to allow panelists sufficient time for their evaluation. During the panel review meeting, the panel will evaluate all eligible applications based on CAC’s Funding Criteria:

• Public Benefit
• Artistic and Cultural Vibrancy
• Organizational Capacity

CAC reviews applications for completeness but does not score or provide opinions. CAC will manage all administrative and logistical tasks necessary to conduct a successful panel review; provide panelists all documentation necessary to evaluate applications effectively; inform the panel in matters of CAC policy and procedures; provide all available objective information regarding an applicant to the panel, and serve as panel chair.

Public Panel Review Meeting
The panel review will stream live on CAC’s website for the public to watch the week of September 18, 2023. CAC will notify all applicants of the panel review meeting times and will post all details on the CAC website in advance.

POST-APPLICATION

Appeals Process
CAC will only consider and review appeals that are evidence-based and due to materially significant CAC processing errors that could have compromised an applicant’s grant proposal. This does not include information that was in excess of the application’s space limitations or information that was submitted after the application deadline. Any requests for appeals must be filed with the Executive Director within 10 working days after the conclusion of the panel review meeting. Requests received after 10 days will not be considered.

Please note: The panel’s analysis and scoring of applications are not subject to appeal and therefore will not be considered for appeal by the CAC Board of Trustees. Neither grant awards nor grant award amounts are subject to appeal.

Board Meeting
Panel scores and grant amounts will be approved at the November CAC Board of Trustees meeting. This meeting is open to the public, and applicants are welcome to attend but not required.

CH grant amounts are determined based on several factors including:

• The total amount allocated to be granted for that CH cycle;
• The budget sizes (revenue) for each organization; as determined by their averaged FY21 and FY22 990s;
• Grant amounts will range from $5,000 to $30,000.

Recommended grant amounts will be shared with applicants prior to the November board meeting.
PANEL SCORING FRAMEWORK

ABOUT THE GRANT – PROJECT SUPPORT

CAC strongly encourages applications from BIPOC (Black, Indigenous, People of Color)-led and serving organizations, as well as others that have been historically excluded or marginalized.

The purpose of Cuyahoga Arts & Culture’s Project Support (PS) grant is to promote public access and encourage the breadth of arts and cultural programming in our community by supporting Cuyahoga County-based projects. Grant applications are reviewed through a transparent panel review process. CAC will offer Project Support funding in 2024 for projects occurring in the January 1 – December 31, 2024 grant period.

How We Define a Project:
A project is a specific, connected set of activities with a beginning and an end, explicit goals/objectives and a predetermined cost that does not equal the organization’s total annual budget. Projects may be one-time events, such as a festival or exhibit, or a defined series of events, such as classes or productions. Projects with multiple components must show that there is a cohesive theme that ties the project together. Proposed projects must be arts or cultural activities and have a public programming component. Open to the public does not mean that the project or program must be free. Note: Mural and public art projects must demonstrate meaningful community engagement and include an element of public programming to be eligible.

PROJECT SUPPORT AT A GLANCE

| Open to both 501(c)(3) organizations with and without a primary mission of arts and culture, as determined by CAC. | Funding for projects occurring between January 1 – December 31, 2024. |
| Grants range from $1,000 to $20,000 for 501(c)(3) organizations based in Cuyahoga County. | SMUDataArts Funder Report required for organizations requesting more than $5,000. |
| Funding only for arts and culture projects based on CAC’s definitions. | 1:1 cash match required. For organizations requesting $5,000 or less, 50% of matching funds can be in-kind income. |

2023 Project Support Grant Recipients
All current 2023 Project Support grant recipients doing the same project in 2024 will be recommended for funding in 2024 after submitting the required Eligibility Check. Contact your grant manager to learn more. Current Project Support grant recipients not meeting this requirement will be required to complete an application and panel review.

Note: CAC anticipates grant amounts will be reduced to fit the available budget.

ARTS & CULTURE DEFINED: Arts and Culture is defined in the Ohio Revised Code Chapter 3381, CAC’s enabling law, as “including, but not limited to, literature, theater, music, dance, ballet, painting, sculpture, photography, motion pictures, architecture, archaeology, history, natural history, or the natural sciences.”

GRANT AMOUNTS

The maximum grant amount within Project Support is $20,000.

APPLICANTS WITH A PRIMARY MISSION OF ARTS & CULTURE

For applicants with a primary mission of arts & culture, as determined by CAC, maximum eligible request amounts are determined by:

- The maximum grant amount that a new applicant can request is $5,000.
- If a 990-N was completed for their most recent fiscal year, an organization’s maximum grant request amount is $5,000.
- If a 990/990-EZ was completed for their most recent fiscal year, an organization’s maximum grant amount is 25% of Total Expenses.

APPLICANTS WITHOUT A PRIMARY MISSION OF ARTS & CULTURE

For applicants without a primary mission of arts & culture, as determined by CAC, maximum eligible request amounts are determined by:

- The maximum grant amount that a new applicant can request is $5,000.
- If a 990-N was completed for their most recent fiscal year, an organization’s maximum grant request amount is $5,000.
- If the applicant completes a 990/990-EZ and completed at least one PS grant, their maximum eligible request amount will be determined using 25% of the total expenses from their final report. Where possible, CAC will refer to the two most recently completed final reports and use the highest total expenses of the two.
  
  If this totals less than $5,000, the maximum eligible request amount will be $5,000.

FOLLOWING THE PANEL REVIEW PROCESS, final grant amounts will be determined based on a combination of the organization’s maximum eligible request amount, and their panel score.

Note: CAC also anticipates grant amounts will be adjusted to fit the available budget.

2024 GRANT RECIPIENT REQUIREMENTS

Grant Period: All funded activities and grant expenditures must occur during the grant period, January 1, 2024 – December 31, 2024

Grant Agreement and Compliance
If your application is recommended and approved for funding following the November Board meeting, CAC will prepare a grant agreement. CAC will be available to meet with new and returning grant recipients to review the grant agreement requirements. To be considered an active grant recipient and receive funding, recipients must sign a grant agreement and meet the requirements therein.

Grant Payment Timeline
CAC grants are reimbursement grants and are paid during the grant period pending grant agreement compliance. Upon review and approval of the final reporting requirements, grant funds will be released. Grant recipients may optionally request up to 60% of the total grant award as early as 30 days before project activities begin through an advance payment request. All funded activities and expenditure of grant dollars must occur during the respective grant year.

CAC Grant Funding Restrictions
Restricted uses of CAC funds include but are not limited to:

- credit-bearing academic programs (K-12 and college level)
- activities that are not open to the general public
- general operating support or operating expenses not directly related to your project
- fundraising or benefits
- regranting, scholarships, tuition assistance, awards or cash prizes
- deficit reduction or elimination, trust endowments, cash reserves, penalty or litigation fees, loans, or interest on loans
- capital improvements, facilities or equipment
- religious ceremonies or events advancing or inhibiting a particular religious ideology
- cost of receptions, food and beverages
- agent’s fees for programs contracted through commercial agencies
- travel outside of the United States
- advocacy of specific political causes or candidates

Matching Funds
Project Support grants are matching grants. Applicants are required to leverage CAC funds to secure additional income from other sources. This grant requires a 1:1 match. This means that CAC will provide no more than half of the project’s total expenses. For organizations whose grant amount is more than $5,000, a cash match is required. For organizations whose grant amount is $5,000 or less, then 50% of the match can be met through in-kind income. In-kind income can include donated goods, services, space, and volunteer hours. Sources of your matching funds can include, but are not limited to, foundation or government grants, private donations, ticket sales, and member dues.

Matching funds may not include other funds from CAC. This includes any CAC co-funded grants. As such, applicant organizations may only apply for one project to be funded. Additionally, multiple organizations requesting funds for the same project are not eligible. Contact a grant manager with any questions.
Events Calendar and Credit Requirements:
CAC asks that organizations receiving Project Support partner with CAC throughout the grant cycle by communicating with their grant manager at CAC, posting events and job opportunities on CAC’s website, connecting with CAC on social media, and saying thank you to the residents of Cuyahoga County for their support. **Grant Recipient shall submit Project events through CAC’s online calendar (ClevelandArtsEvents.com) at least 30 days prior to the date the Project is presented to the public.** The Events Calendar and Credit Requirements document outlines these requirements. Grant recipients that do not comply with these expectations may be subject to a reduced final grant amount.

Reporting Requirements:
All grant recipients that receive a 2024 Project Support grant must submit a final report online within 30 days of the completion of the project. In addition to a final report, CAC may conduct site visits during the project period. Reporting guidelines and instructions will be posted online in advance of deadlines. Reports consist of a narrative, financial documentation, and support materials. Grant recipients that submit a late final report, or do not submit a final report, may receive a reduced or revoked final grant amount.

Maintaining Good Standing:
To receive CAC funds, a grant recipient must maintain its good standing with CAC during the grant period. A grant recipient is in good standing if it:

- Fully and completely meets all requirements as stated in the grant agreement for the duration of the grant period;
- Accurately represents its organization and its activities in all documents submitted to CAC. This includes, but is not limited to, the eligibility check, application, final report and all other reports and forms; and
- Continues to meet the eligibility criteria.

A grant recipient not in good standing with CAC will be officially informed of this status in writing.

Re:          Support for Artists: Community Engagement + Planning Grant

**Board Action:** Approve a planning grant of up to $20,000 to Assembly for the Arts to conduct a focused listening, engagement, and planning effort with artists and residents that will result in a community-driven plan for how 2024 Support for Artist funds will be spent.

**Background**

Cuyahoga Arts & Culture is proud to have worked with Assembly for the Arts to secure nearly $3M in unprecedented relief funding that went to artists and creatives during the pandemic. This is in addition to CAC’s current Support for Artist (SFA) grants that were designed by and for artists. Since 2018, CAC has distributed (through programs of nonprofit grantees) more than $1.8M in funding and support to more than 300 artists, more than 85% of whom identify as Black, Indigenous, and People of Color (BIPOC).

Looking forward, CAC recognizes the need for ongoing, open, and transparent community input to shape how artists are supported by and contribute to our community – both through CAC’s Support for Artist investments and as Assembly secures additional funding and develops more programs for artists and creatives.

**Recommendation**

To prepare for this bright future, CAC recommends a planning grant of up to $20,000 for Assembly to design and hold open and inclusive engagement activities for artists and residents in the next 4-5 months. The grant will result in a 2024 Support for Artists Plan that identifies how to invest $400,000 in artist support opportunities that: 1) center equity; and 2) recognize the diverse needs of Cuyahoga County-based artists (financial and non-financial).
Key Elements
A successful Support for Artists 2024 (SFA24) Plan must:

- be the result of engagement of hundreds of people (artists, creatives, culture bearers, residents more broadly), representing the full diversity of our county.

- prioritize funding and resources for historically underrepresented or marginalized artists.

- continue to address the five distinct needs of artists identified by CAC’s support for artists planning team in 2017 (flexible funds, project funding, access to space, institutional connections, and professional development).

- consider, as the option or as part of a broader plan, regranting to proven CAC-funded artist service providers (local arts nonprofits) who have deep knowledge of community and expertise in delivering equitable artist support programs.

- include approaches that could be expanded with additional funding sources (beyond CAC).

- result in a standing ongoing artist advisory group, housed at Assembly, that informs and assesses all of Assembly’s artist programs and services, inclusive of SFA24.

Next Steps
Pending Board approval, CAC will issue a grant of up to $20,000 to support Assembly’s community engagement and planning process.

Once the engagement and planning process is complete, CAC will invite a proposal from Assembly that outlines how they would design and manage a $400,000 program to distribute SFA funds in 2024. Any grant, pending Board approval, would be evaluated against agreed upon metrics that are shared with the public during the grant period (January 1 – December 31, 2024).
