

GRANT RECIPIENT REQUIREMENTS EVENTS CALENDAR AND CREDIT

As a Cuyahoga Arts & Culture (CAC) grant recipient, your organization must comply with the requirements described in your grant agreement. Two of these requirements relate to communications and publicity, which may be outside the scope of work of some organizations' development or grant team. For this reason, we have expanded on these two requirements here, so that you can share them easily with the person or team that handles your marketing or communications.

Meeting these requirements not only ensures compliance with your grant agreement, but also helps maximize the impact of our public funding in the community by shining a light on your efforts to inspire and strengthen the community through arts and culture.

1 | EVENTS CALENDAR REQUIREMENTS

All CAC grant recipients are required to **post their public events on CAC's online calendar of events at [ClevelandArtsEvents.com](https://www.clevelandartsevents.com)**. The details of this requirement vary based on the program through which you are funded. View page 2 for additional details around this requirement.

For further reading, reference the following sections in your grant agreement:

General Operating Support | Section 6

Project Support | Section 1.c.

2 | CREDIT REQUIREMENTS

All CAC grant recipients are required to **acknowledge CAC funding**. View page 2 for the different tactics and tools your organization can use to credit CAC and the residents of Cuyahoga County with its grant.

For further reading, reference the following sections in your grant agreement:

General Operating Support | Section 7

HOW TO POST EVENTS

- **General Operating Support Grant Recipients**

As an operating support grant recipient, your organization is **required to post upcoming performances, exhibits, and programs (events)** to ClevelandArtsEvents.com in order to ensure that a broad representation of your programming is available to the thousands of county residents that visit the online calendar each month. Your events **must be posted at least 30 days in advance**. You are required to have active events on the calendar **during all months of the year**, except for months in which your organization is conducting no programming. During the mid-year and year-end report processing, **CAC may hold payment** until your organization is able to demonstrate that it has met this requirement.

- **Project Support Grant Recipients**

As a project support grant recipient, your organization is **required to post its upcoming CAC-funded public program(s)** to ClevelandArtsEvents.com. Your event(s) **must be posted at least 30 days in advance** of the date the project is presented to the public. During the final report processing, **CAC may reduce your grant by 10%**, if your organization is unable to demonstrate that it has met this requirement.

Events submitted to our site become eligible to be publicized in our events e-newsletter, which reaches 15,000 Cuyahoga County residents.

OTHER WAYS TO CONNECT WITH CAC AND RESIDENTS

Thank you for helping CAC maximize the impact of our public funding in the community.

If you are looking for other ways to further raise awareness about your work and CAC's funding, you can try some of the ideas below. Please note that these are additional and optional ways to work with CAC:

- In addition to grant reporting requirements, we encourage your organization to communicate regularly with your CAC program manager. Not only are we genuinely interested in your work, but we can also connect you to helpful tools, people and resources.
- Share stories that feature how your organization connects with and helps residents of Cuyahoga County create, connect and express themselves. Share them on social media and tag CAC's accounts, or send them to us so that we can promote your stories online.

- Consider CAC when advertising, in media relations and when sharing your stories with the community. Mention the impact of CAC funding on your work whenever possible.
- Aside from your events, post jobs (or calls for artists, volunteer opportunities, and auditions), venues and artist profiles to ClevelandArtsEvents.com to help us make this resource as robust as possible. The jobs webpage regularly receives thousands of visits from county residents and is a great place to promote your openings.
- Work on your event postings to make them more enticing to website visitors. Here are a few tips:
