**Final Score: Yes.** Overall, the panel felt that the applicant provided evidence throughout the application that the funding criteria were met.

**CAC Grant Amount: \$5,000**

To ensure an impartial and transparent application review process, CAC convened an online panel of arts and cultural professionals from outside the region who evaluated and scored eligible applications.

Panelists scored each application based on the Funding Criteria—Public Benefit, Artistic and Cultural Vibrancy and Organizational Capacity—with an emphasis on Public Benefit. For more details regarding the panel process and full panelist bios, please review the [Panel Guide](#).

### Panelist 1

**Score:** Yes

The project fulfills the funding criteria. I appreciated that measurable project goals were outlined and articulated within the proposal, which aids in refining the project's goals/implementation. The project will serve as a public benefit in that it fosters an appreciation of the arts within the children of the community.

### Panelist 2

**Score:** Yes

Good and clearly written application meeting the goal of public benefit. Could use a little more detail on the demographics of the community being served but the project is a benefit to the community.

### Panelist 3

**Score:** Yes
