

PANEL RESULTS & COMMENTS 2020 PROJECT SUPPORT II

Cleveland Rocks: Past Present and Future

Your Project Title: Waterloo Makes Music 2020

Your Project Summary: We will present a series of concerts and collaborations in the Waterloo Arts District centered around original musicians/ bands who live, work, rehearse or are somehow tied to the North Collinwood neighborhood. Monthly performances take place at the community park at E. 156th and Waterloo where a small stage was designed. And we will also collaborate with the Waterloo Arts Fest as we have for the past 4 years to showcase the district as a music incubator by helping to program 2 of the 10 stages.

Final Score: Yes. Overall, the panel felt that the applicant provided evidence throughout the application that the funding criteria were met.

CAC Grant Amount: \$5,000

To ensure an impartial and transparent application review process, CAC convened an online panel of arts and cultural professionals from outside the region who evaluated and scored eligible applications.

Panelists scored each application based on the Funding Criteria—Public Benefit, Artistic and Cultural Vibrancy and Organizational Capacity—with an emphasis on Public Benefit. For more details regarding the panel process and full panelist bios, please review the [Panel Guide](#).
