

## PANEL RESULTS & COMMENTS 2020 PROJECT SUPPORT II

### Errin Ministries

**Your Project Title:** Mojuba Cultural Dance Festival

**Your Project Summary:** We will host the Mojuba Cultural Dance Festival as a means to celebrate, preserve and explore the artistic contributions and expressions of African Americans. The weekend-long festival will include performances, master classes, community events, and an arts village, all of which will highlight dance, music, history and culture.

**Final Score: Yes.** Overall, the panel felt that the applicant provided evidence throughout the application that the funding criteria were met.

**CAC Grant Amount: \$5,000**

To ensure an impartial and transparent application review process, CAC convened an online panel of arts and cultural professionals from outside the region who evaluated and scored eligible applications.

Panelists scored each application based on the Funding Criteria—Public Benefit, Artistic and Cultural Vibrancy and Organizational Capacity—with an emphasis on Public Benefit. For more details regarding the panel process and full panelist bios, please review the [Panel Guide](#).

**Glenn Ayers**  
(Dallas, TX)

**Carly Jones**  
(Raleigh, NC)

**Lawrence Jackson**  
(Indianapolis, IN)

Below you will find the panel's scores and any feedback in response to the question: **With an emphasis on public benefit, does the applicant demonstrate evidence that it meets CAC's three funding criteria?**

Note: Panelist scores and comments are presented in no particular order.

Panelist 1

Score: Yes

Panelist 2

Score: Yes

Panelist 3

Score: Yes

The project fulfills the funding criteria and will prove beneficial to the community. The proposal does, however, lack details within the narrative about the demographics it will serve within the community. Also, if the master class fees were looped within the proposal, then this would allow all the programming to be free and accessible to those who are economically challenged. More details about programming, (who, what, when, where) would further strengthen the proposal.
