

PANEL RESULTS & COMMENTS 2020 PROJECT SUPPORT II

Joseph's Home

Your Project Title: Art Therapy & Soap Making for Acutely Ill Homeless Men.

Your Project Summary: The requested funding will support the art therapy and soap making sessions for the acutely ill residents of Joseph's Home through the summer months of 2020. This support allows our residents to experience healing in alternative ways, as well as provides opportunities for residents and alumni to engage in self-reflective discussions and socialize in a positive environment.

Final Score: Yes. Overall, the panel felt that the applicant provided evidence throughout the application that the funding criteria were met.

CAC Grant Amount: \$1,000

To ensure an impartial and transparent application review process, CAC convened an online panel of arts and cultural professionals from outside the region who evaluated and scored eligible applications.

Panelists scored each application based on the Funding Criteria—Public Benefit, Artistic and Cultural Vibrancy and Organizational Capacity—with an emphasis on Public Benefit. For more details regarding the panel process and full panelist bios, please review the [Panel Guide](#).
