MorrisonDance

Your Project Title: ARCHEtypical

Your Project Summary: ARCHEtypical will be a collection of dances that explore mythology of cultures from around the world. Psychologist Carl Jung understood archetypes to be universal "stories" that can explain the human mind and behavior. This collection of dances will explore the dream-like myths and fables from across the world in an evening of dance.

Panelist 1

Score: Yes

Panelist 2

Score: Yes

Good application--good partnership and interesting workshops and open rehearsals. Would have liked more detailed budget and matching plans. In reviewing the goals statement, there are ways to quantify your goals, e.g. document 3 new community partners for this year OR survey participants regarding literature alluded to in their submissions. Else, good application.

Panelist 3

Score: Yes
