SMU| DataArts Funder Report

Organizations that are applying for grants of more than $5,000 will complete a Cultural Data Profile for the two most recently completed fiscal years and will pull the CAC Funders Report to upload as part of their application. We recommend starting this well before the application deadline. More information can be found [here](#).

Please use the narrative field for annotations and explanations of the data in your report.
**Arts and Cultural Support Materials**

Support materials play a critical role in helping panelists evaluate your application by bringing to life your organization’s mission and programs. Panelists assess support materials, like the rest of the application, based on our 3 funding criteria. For more information on selecting and uploading support materials to your online application, please refer to the [Support Materials Guide](#).

Include at least 1 but no more than three (3) total uploads and/or web-based support materials:

- Upload items of your choice that demonstrate your Public Benefit, Artistic and Cultural Vibrancy and Organizational Capacity.
- Photos, videos, audio, and other documents do not necessarily need to be professionally produced to demonstrate vibrant programming.
- All audio and visual materials should be cued to immediately begin with relevant activity.
- Applicants are encouraged to submit quality support materials that are current (within the last 24 months) and relevant to the application.

**Optional:** Include web links as support materials, no more than 3 total uploads.

**Please note:** CAC does not own, collect royalties on or hold copyrights to artistic products resulting from its grants, nor will it take any action on behalf of the grant recipient to protect the grant recipient’s intellectual property rights. CAC does, however, have legal authority to reproduce and use submitted documentation (electronically and in print) of such artistic products for educational, promotional, official or noncommercial purposes. By providing documentation of artistic products to CAC, you consent to such use by CAC.

**Statement of Assurances**
The Statement of Assurances is the last step in the application process. An authorizing official will certify that they are authorized to submit the application on behalf of the organization and that the information submitted in the application is true and correct to the best of their knowledge.

When this form is finalized, please mark as complete below, you’ll see the submit button become available on your left side, and you can submit your application.
